Visitations

Thanks to all who come to support the Club when we visit other clubs. We do seem to have a difficult time getting to the Ramblin' Rogues on the first Friday of the month. Maybe we will try again. Don't forget the April visitations with the Church Mice on April 21st and on April 28th with the Chevron Squares.

Speaking of visiting, on the March 16,17 and 18th weekend, a lot of people gathered at the Kern County Fairgrounds for the annual March Bakersfield Fiesta. Eleven Boys 'n Berries made the journey over the grapevine to Bakersfield to dance to mainstream, plus, advanced, challenge and round dancing with some of our better callers and cuers. The nearly 800 dancers danced to the likes of Larry Letsom, Bob Baier, Mike Sikorsky, Mike Kellogg and the ever popular Bronc Wise. SoCal's own Eileen Silvia, the Balls and a couple from Texas combined to do the cueing. Amongst the dancers were a lot of SoCal and the Valley and a lot from No. Calif, plus 5 other States. Also among the dancers were callers who were there to enjoy the dancing and to help out Dick Hodnefield's after-dance Ice Cream social at a local Roller Skating Rink on Saturday night. This every-year occurrence attracted Rod Shulping, Bill Gipson, Roy Stevenson, Johnny Preston, local Jay Henderson and the upcoming "Digger Dave." Also, Sylvester Nealon and Henry Grissett. There were a reported RV 250+ rigs present and everyone had a great time. Thanks to the 11 club members who came up and thanks to Bill and Jan, Steve and Marietta, and Steve and Sue for inviting us to their BBQ. Also thanks to the Chevron's Lutz and Vicky for inviting us to their after Saturday Night's Party. What a great time for all of us. We have a lot to look forward to next March 14, 15 and 16th. From So. Carolina comes Tony Oxendine, Steve Kopman from Tennessee, Sacramento's Jet Roberts, Orange Counties Johnny Preston and from Colorado, Charlie Robertson. Bakersfield does everything right. Hope more than 11 can go up next year. CU in a square.

...Gary

Club News

We're having 9-10 class members and lots of angels each Tuesday. Usually there are 4-5 squares. There has been a good turn-out for the Plus portion. Mark the date of April 24th, this will be our 1/2 Way dance. Come out and support our class and Club. We also will have a new class beginning May 8th. Tell all your friends, neighbors and strangers too!

Leprechaun Ball was on March 11th. This was a class level dance but our new dancer class wasn't far enough along to attend. There was a good showing of our club members. Ron Bradford, a new club member, volunteered to represent our Club as our Leprechaun. He had a great outfit, certainly the most authentic, including a pot of gold and a scepter. He won 3rd prize. Congratulations Ron for a job well done!

A Sq. D News

Even though I wasn't there, I am told that Edrea's Leprechaun Ball came off without a hitch. Hope some of you beginners went. Probably a sea of green.

Speaking of Edrea, she was re-elected as the Orange District Director. What a great job she has done and will continue to do. You might ask her about her tour of the LA County Men's Central Jail, where I work and was able to take her through on the way up to Bakersfield. She will have lots to say about it. Non-stop all weekend.

Once again, another Club is closing for business. The April dance will be the last for the Santana Swingers. We wish them well. On 4/22, the OC Callers Assoc. will have a dance at the Women's Club of Orange. The Western Sq. Dance Assoc. is asking us to support their special Memorial Day weekend special dance and in turn they will support our Labor Day weekend. Thank you. The Presidential Ball is May 6th at Cedarbrook and don't forget the State Convention in Riverside, April 13, 14, & 15th.

The Eagle's Cry

Stephan Roehrich President— (714) 670-1932

Our March dance was alright, nothing special, 12-13 squares. Carrie Masters did the calling and Eileen Silvia did the rounds.

Don't forget our 1/2 Way dance coming up on Tuesday, April 24th.

I would like to take this time to thank all the board members and all the committee members for their support while I was President. It was a pleasure to have worked with all of you...THANKS A WHOLE BUNCH!!
