OXNARD

Club baskets:

The club baskets were such a hit last year, the clubs are going to put together baskets again this year. Our club's basket is going to contain boysenberry goodies.

Raffle: These baskets, plus many other things including show tickets, theater tickets, hotel nights, restaurant dinners, brunch on the Queen Mary and more, will be raffled off. Anne has raffle tickets, so when you see her at the dance, ask her to sell you some. They are one dollar each. If you are not going to Oxnard, don't worry. You do not have to be present to win.

After party:

As in previous years, the after party will be entertainment only, not more dancing. Who wants more dancing when they have danced all day and all evening. By that time their feet are hurting and they want to sit down anyway. This year all the clubs are going to participate. Do you know of anyone in the club who has a special talent? Let our club feature them.

Hospitality Room:

There will be a hospitality room for all dancers, not just the callers and cuers. The room will contain all kinds of snacks and drinks. Callers and Cuers: Our own Bill Gipson is going to be one of the callers. Other great callers will be Andy Allemao, Tim Pepper and Charlie Robertson. The cuers are going to be Peter Gomez and Chama Lee plus Rey and Sherry Garza. If you have ever danced to them you know how much fun they are.

Vendors: Aron's Dance Shop, Concho Honcho, R&R Video, Cedarbrook Dance Shop and Spectrum Arts and Crafts.

Three Days of Fun: Doesn't all this sound like a wonderful time? Make plans now to go!!!

RIBBONS-The club has "Ask Me About Square Dancing" ribbons. Be sure to pick one up and wear it in public places like restaurants, fairs etc. Also carry a bunch of A Square D or Boys N Berries business cards that you can give to anyone who asks.

Presidents Message

There was no Club Dance in July due to the hall not being available. The parking lot is getting closer to being finished. Hopefully by our October Club dance it will be ready.

For those of you who didn't get a chance to attend the National Convention in Long Beach, it was a great time. I counted 26 Boys N Berries members attending at different times.

Several of our club members volunteered their time to help make the convention a success. Bill Gipson called everyday and evening from the youth hall to mainstream and plus to A-2. Fred and Anne Willbanks donated many, many hours of their time in various roles. Pat Lawrence and Rick Donaldson also worked., If I've omitted anyone, I apologize.

We did the exhibition at the Orange County Fair on July 11th. It was a warm day but everyone made it through and had fun doing it. The audiences enjoyed our dancing. We also manned the kiosk that day.

Don't forget to tell friends, neighbors and strangers too, about square dancing. Our new class begins Sept 8th. If every club member could bring one person, we would have a huge class!

In Loving Memory,

Roy Gurwell was born March 3, 1925 in Kansas and passed away June 23, 2009 at his home in California. Roy had been a member of our club since 2000 when he graduated from the beginners class. He enjoyed square dancing and always had a cup of coffee in his hand. He did some traveling in his retirement years. We'll miss him.

Charles Bybee was born August 18, 1946 and passed away July 3, 2009 after a tragic accident. We knew Charles for a year as he and his wife came back to classes to brush up and graduated in June, then became club members. He loved to horse back ride and loved to dance. He was fun to be around. He, too, will be missed.

Gab from Garry:

Well, Boy's "N" Berries it is now August. Where did the summer go? Just lately, the heat that usually comes this time of year wreaked its ugly head. Try to stay cool.

For the latest visitation news. On Friday night Aug. 7th we have a visit to the Ramblin' Rogues. They are in Orange and dance at the women's club. It is a Friday night dance and their caller is Jet Roberts from the Sacramento area. He is a super caller and if you didn't get a chance to dance to him at the convention when he was there last month you missed out. All of you need to plan on attending this dance.

Speaking of the convention, as you know the 58th National Convention was held the last week of June at the Long Beach Convention Center. Attendance was around 4300. California had 2300 by itself. SoCal probably had 2/3rds of that. Congrats to our own club. We were well represented. I don't have an official number but it had to be over the 15 mark. Way to go.

Next years dance will be in Louisville, Ky. The newest city to receive the next bid is an old one. Oklahoma City. Speaking of congratulations, Kudos to the convention committee and all of the volunteers. Our own Anne and Fred Willbanks put in lots of hours long before the convention and during it. And our own club member/instructor, Bill Gibson did some calling there. All in all, a good time was had by all. I had only been to one other convention, the latest one in Anaheim and found this one more enlightening and fun.

I attended the first night's country concert and some sew and save stuff. Well done, special activities people.
