Class News

Hello Everyone,
Now that our class has ended, another class will begin! By the time you get this newsletter our class will be three weeks old. If you know of anybody that's interested, send them to the Boys'N'Berries, Thank you!

Don't look at square dancing as just exercise, it is not just for your body, if you think about it, it's also very good exercise for your brain. You have to use your brain to remember all the calls and be good at square dancing!

SWEETHEART BALL

It's time to honor all the hard working couples who have been sweethearts to their clubs.. You'll see them strutting their stuff as they parade around the dance floor at the Sweetheart Ball. The Ball will be held on Sunday, February 21, at the Hawthorne Memorial Center, 3901 W. El Segundo Blvd., Hawthorne. It will begin at 1:30 with rounds and the squares go from 2:00 to 4:30. Pat Carnathan and Andy Allemao will be the callers and Linda Ashby will cue. Aron's Square Dance Shop will be there with clothing, accessories and badges, so you can buy those dance things you've been wishing you had. The club has ribbons for sale. They are \$8. You can also pay at the door. For more information, call Paul at 310/670-5265. Dress in your valentine best and prepare to have a lot of fun.

BATTLE OF THE BANDS

On January 30, the Boys 'N' Berries have a visitation to the Buttons and Bows. We don't want to interfere with that, but we do want to tell you about a very special dance on the same night.. This one is live music and it's going to be a battle of two bands. The first band is Dale Hoppers and the Golden West Square Dance Band, and the other one is Darren Gallina and the Crossfire Band. It will be a dance benefiting the 58th National Square Dance Convention. It will be held from 7:00 PM until 11:00 at the Edgewood School on 1625 Durness St., West Covina, CA The 8,000 square foot hardwood floor will be wonderful for dancing. The tickets at the door will be \$17.00. There will also be round dancing.

PENS

When you see Anne at a dance (She'll be at the Battle of the Bands) be sure to ask her for some pens. These are great to hand out to people who might be interested in taking square dance lessons. They have a phone number and web site on them which people can call for lesson information.

President's Message:

The hall was not available for a January Dance because of the Holiday. We had our half way dance on January 19th, with a good turn out in spite of the rain. Buttons and Bows and Church Mice clubs brought their classes. We had ten squares. Everyone seemed to enjoy it.

We were invited to do an exhibition for Cerritos/Artesia Women's Club on Jan. 14th at the Cerritos Library. Their theme was country western, thus they needed square dancers! The timing was perfect with our new class starting. They liked the dancing and we handed out flyers and cards.

We have had good turn-outs at the last few visitations, even retrieved a banner which wasn't a scheduled visitation when a group of us just showed up to dance. We have been car pooling to these dances, so let us know if you want to ride along.

PHONE TREE

I want to thank the ladies who make the phone calls, you are doing a great job. Alma has made calls for many years and as you know she recently had surgery and is unable to help now. I thank Jean Pitts for volunteering to take over her list of names. I could use someone for a backup for both the 714 and 562 areas. If someone can help with 10 or 12 calls 3 or 4 times a month I would appreciate it. Please call!
