President's Message:

Thanks to all who were at our demo. All of you who participate in club activities like this help to make our club a great one. Our demo was a lot of fun and the school provided us with a very nice lunch. They also donated money to the club and caller. All in all, it was certainly worthwhile.

The board has decided that honorary members now should pay to dance, but their membership fee will still be free.

Officers who don't have their new 2011-2012 swingers for their badges should see me.

Everyone should talk up our upcoming new class that starts in September.

If anyone would like to be photographer/historian for the club, see me.

See you at a dance!

Fred

PHIL FARMER

Phil Farmer is out and about after suffering a heart attack. There will be a fundraiser for him at Cedarbrook on June 25.

SPRING FLING

There were 20 Orange District dancers in attendance among the total of 146. The clothes sale profit of \$800 was more than the dance profit of approximately \$200. The firesale at the end of the dance was a lot of fun

A bag full of all the clothes one could stuff into it cost only \$5. The new dancers seemed to have great fun in their square dance finery. All of the ladies looked pretty in their new petticoats.

HUNTER KELLER

Hunter Keller is the new young caller that we enjoyed at the Sweetheart Ball. He is becoming very popular. There were 27 squares at his last dance.

INTERESTING STATISTICS

ASD now has 31 clubs and membership has increased to 2119. Eleven clubs were represented among the 142 dancers attending the Presidential Ball.
