A Sq.D

I did not attend the April A Sq.D meeting, so I don't have a lot to report. Next on tap for activities would be the May Presidential Ball, followed by the July dancing Exhibition at the Orange County Fair that we always participate in. We will maintain a booth at the Fair for the 3 weeks that the Fair goes on for, plus dancing.

I have had this position as the A Sq.D Rep. for 3 years now, so I am giving it up and my replacement will be Rick Donaldson. Because I will continue to do Visitations, I will continue to work with Rick. It has been a lot of fun these past 3 years. I will continue to see all of you at dances and visitations.

Visitations

We continue to have at least 2 visitations a month for your enjoyment and participation. Hope a lot of you get involved. The spring time is a busy one for me. In addition to my regular job, I am an announcer for high school track and field, so it sometimes gets in the way of square dancing. However, it didn't get in the way of the State Convention in Riverside the weekend of April 13-15. What a grand time for the 1,000 in attendance and the 10 from the Boy' N Berries. A whole lot of dancing and listening to a lot of callers and cuers. On a side note, all of you need to ask Edrea about her escapades in the Marriott, especially going in and out of the elevator and going through the lobby in her PJ's. What a sight for the group of dancers on the first floor when the door of the elevator opened and guess what they saw. Yep, just Edrea. Ask her. It was late on Friday when all of this happened and we were hungry. Off to a 24hr Mickey D's. A good time was had by all even in the Jacuzzi. Next year the State Convention dance is in Sacramento. Bye for this month....**Gary**

Club News

Marietta Schoonover
Class Coordinator

Our January class is winding down. We've kept our 10 students, all are doing well. The half-way dance is April 24th and we are expecting several clubs to attend. I should be a good dance.

May 8th, we're starting another beginners class. If you know of anyone who would like to learn to square dance, send them down or better yet...bring them down. See you on Tuesday nights.

This is my last year as class coordinator and it has been very enjoyable. Thank you angels for coming to the class and helping out. The class cannot be a success without your help. Keep up the good work.

The Eagle's Cry

Stephan Roerich President— (714) 670-1932

April dance was exciting, good caller in Jay Henderson, very lively. Pam Post did the cueing, the turn out was light, then again it was Easter weekend, 9 squares I guess, not bad.
