Marietta's Message

Cooler weather is here and fall is in the air. I hope all those ghosts and goblins didn't get you for Halloween.
 Our Club Picnic was in Sept. at Wm Peak Park. It was a very nice day and we went early in the morning to reserve a Gazebo, as it's a first come, first serve basis. We played badminton, croquet, Mexican train and scrabble. There were lots of delicious dishes for the pot luck. It was a disappointment in the turn-out of club members attending. We had 20 people there, with 100 plus club members, that's not very good. We all had fun and you missed a good time if you weren't there.
 Our October dance had **Dan Norbye** from Arizona calling and **Eileen Silvia** cueing. Dan had a problem with traffic accidents on the freeway and got lost on his drive here, so he was late arriving. **Bill Gipson** graciously filled in for him for the first two tips. Thank You, Bill! There were 12 squares. It was a good dance.
 We were saddened to hear the news of four of our club members passing in the last few weeks. They will be missed.
 Members come out and enjoy the Club dances. Classes are still dancing Plus at 8:30 on Tuesdays. It's a good time to brush up. Hope to see you there.

NEW DANCER CLASS

Well, we're still having a wonderful attendance at class as of the third week. In fact, we even had visitors from Germany and New Zealand. We even got to dance to a caller from New Zealand. It was quite an experience! Attendance was down a bit on Oct. 2, but will hopefully pick up again. Oct 9, brought us two more new students from other classes. Their intent is to go to class twice a week to learn even faster. That's my kind of square dancer! As of Oct 23, we are still holding on to 3 squares, counting students and angels. I sure would like to have seen more new students, so why don't we all try to bring at least one new student to the next class that starts on Jan 29, 2008.
