### Visitations:

Thanks to all who have joined our visitations. We continue to get our banners back. Expect us to go to a visitation at least every other month, if not every month. The clubs we visit are coming to our dances and are very good partners.

### A Sq D:

The report out of Oxnard wasn't good. There was a total of 22 squares and we had 19 for our dance. Most of those going to Oxnard come from Orange county so I guess the question would be, why Oxnard. Nobody wishes them ill will but there is logic to this.

See all of you next month.

### ASSISTANT TREASURERS:

- **OCTOBER**—Helen Miller & Barbara Goodhue
- **NOVEMBER**—Steve and Jean Emanuel
  - **NOVEMBER Tuesday class only**—Margie Anderson

## Club News

### Marietta Schoonover

Class Coordinator

Classes for beginners began Sept. 12th. There were 18 new Dancers the first night and 12 the second night. However we were encouraged by the fact that some people were sick, others were moving but all were planning on coming back. We have a nice mix of people, teenagers, dancers returning after a long time off, dancers needing more instruction and of course, brand new dancers. This is the first year we are trying the 17 week class, so each night we are playing it by ear. The first week we did mainstream calls all evening. The second week we had plus calls at 8:30 Having done mainstream calls the first part of the evening.

**WE NEED ANGELS ESPECIALLY MEM!!! Come out and join us. Class begins at 7:00 p.m.**
