AUGUST GENERAL MEETING

Callers Dave Donaldson and Charlie Fagan were the speakers at the general meeting. They both stressed the importance of having more mainstream dances. They feel that new students are more likely to stay with square dancing if they can get out to dances sooner.

SQUARE DANCE PROMOTION

The club has "Ask me about square dancing." ribbons. Please pick one up and wear it whenever you go out in public. Then if anyone does ask you, give them a card and pen which have the phone number and web site for information about classes. Anne Willbanks has both cards and pens. Ask her for some.

President's Message:

Summer is leaving us behind. New classes and festivals are coming up. It's fun to see and meet new people getting into dancing.

There has been a good turn-out of club members at our visitations. It's good to see so many people coming out and having fun. That's the whole purpose of square dancing!

We've done several exhibitions to promote the new class. We did one at the senior center to re-dedicate the remodeling they have done. We need more people to volunteer for this, especially men. We've had to go to other clubs to ask them to help us to make a square! We are a big enough club we should be able to get one square on our own. It's only 45 minutes to an hour of dancing and it's an important part of keeping the club alive. I know those who are working cannot take part but most of our members are retired. I hope you will volunteer next time.

With the parking lot completed we hope it will bring larger attendance at our club dances. Since the construction has been going on we definitely have seen a decline in numbers.

See you at the club dance!

Marietta Schoonover,

President
