OXNARD

The Oxnard Jamboree is getting close. Want to have fun?! Make plans to go! There will be single rotation for the first time. The after party will be a hoot.

The club baskets are worth while seeing. Gina put together a beautiful one for our club. The baskets will be raffled off along with many other prizes including hotels, restaurants and shows. You can get your raffle tickets right now from Anne Willbanks and you don't need to attend to win. The tickets are \$1 each, and if you buy ten you will get one free. Another reason for going is to support our own caller, Bill Gipson, who will be calling there along with Andy Allemao, Tim Pepper, and Charlie Robertson. The Heels and Soles have a bus going up on Saturday and they have some room left. Contact them if you don't care to drive and leave the driving to them. The weekend won't interfere with your Labor Day plans because the Jamboree ends on Sunday afternoon leaving plenty of time to get home the day before. Are these enough reasons for you to go? Bet you can't think of a good reason to stay home now!

SQUARE DANCE PROMOTION

Please wear an "Ask Me About Square Dancing" ribbon when you go out to restaurants or any public place. You can get the ribbons from the club or Anne Willbanks. Then if anyone does ask you, give them a business card or a pen with club phone numbers and web site info on them. You can get the cards and pens from either the club or Anne.

Presidents Message

Summer is winding down fast. We have all enjoyed the short pants dances. The weather has been beautiful, but there may be more hot days to come in Sept. and Oct.

The August dance had light attendance, only 9 squares. The root beer floats served for refreshments really hit the spot.

Sandy Sarrocco's name was drawn for the visitation jackpot, but she wasn't present. Next month it will be \$20.00. Join in one of the visitations and have a chance to win!

Good News! the parking lot is finished. Since we are dark in Sept, we hope it will help the turn-out at the October's dance.

Don't forget a new beginners class starts Sept. 8th. with the second half of the evening a plus workshop. Come out and help angel the beginners.

Gab From Gary :

Not much from me about visitations this month. We had a very successful visitation to the Ramblin' Rogues last month . They meet on Friday nights so it can be very difficult going to Orange on a Friday night but it turned out good plus with Jet Roberts calling the attraction was great. Even yours truly showed up. We retrieved our banner as well. Try to come to some of the next few months visitations. C U in a square, *Gary*
